---

CE marking according to EN 14041 —  
information to follow.

The floor covering must be installed in  
accordance with the installation guidelines of  
both the adhesive manufacturer and the  
flooring manufacturer.

---

3	lm	Baseboards:	€/lm	€
		<p>The use of adhesive insert baseboards is recommended. This solution creates a seamless visual transition from the floor covering onto the wall.</p> <p>Cut stripes from the specified flooring to match the required width of the self-adhesive baseboard and insert them accordingly.</p> <p>Install the baseboard on the wall properly and in accordance with standard industry practices.</p>
